# WHY SHOES?

People without shoes face dangers like laceration, fungus, and insect bites that can lead to infection, disease, and even death. Children with no shoes are often not allowed entrance to education in many countries and can find their way into slavery, or unsafe and inexcusable child labor environments.

Samaritan's Feet shares hope with children in the U.S. and around the world by washing their feet, giving them a new pair of shoes, and helping them believe that their dreams can come true. We at Samaritan's Feet believe that a new pair of shoes can be a tangible foundation of hope to a person in need.

## THE NEED:

- NEW athletic style shoes
- SIZES
  - Toddler
  - Children (boys and girls)
  - Adults (men and women)

For a detailed report of the importance of shoes, visit [www.samaritansfeet.org/importance-of-a-healthy-sole](http://www.samaritansfeet.org/importance-of-a-healthy-sole).
